

Learn more about health reform and the new Vermont Exchange, Vermont Health Connect

Vermont Health Connect is a new health insurance marketplace, launching October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. You're invited to a community forum with Commissioner Mark Larson to learn more about upcoming health reforms.

We'll be covering topics including what the Exchange will offer, who can get coverage through the Exchange, insurance market reforms that start in 2014, financial help available to many Vermonters and more.

Snacks will be provided.
